Philadelphia CSO Long-Term Control Plan
City and County of Philadelphia

Dear Mr. Cammarata:

This letter concerns the Comprehensive Monitoring Plan (CMP) for the City of Philadelphia (City) Combined Sewer Overflow Long-Term Control Plan project. The CMP is a required deliverable of the Consent Order and Agreement of June 1, 2011. The Department of Environmental Protection (DEP) has reviewed the Philadelphia Water Department's July 31, 2013, comment response document, and the revised Comprehensive Monitoring Plan, submitted by the City on January 10, 2014. DEP has no further comments, and the CMP is hereby approved.

If you have any questions about the contents of this letter, please contact me at 484.250.5822.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Fields", written over a faint, larger version of the same signature.
